Company Overview

BIDJIGAL CONSTRUCTION GROUP IS A PROUDLY ABORIGINAL OWNED CONSTRUCTION COMPANY

Grounded in strong cultural values and a commitment to delivering high-quality outcomes across every project.

Led by a proud Bidjigal man from La Perouse, part of the wider Eora Nation and traditional custodians of the Sydney region, our business is built on a deep connection to Country. This connection informs how we operate, ensuring respect, accountability, and a long-term vision in everything we deliver.

WE PROVIDE RELIABLE, HIGH-QUALITY CONSTRUCTION SERVICES ACROSS:

- Commercial Construction
- Government Projects
- Residential & Mixed-Use Projects
- Fit-Outs and Refurbishments
- General Building and Maintenance
- Remedial and Façade Upgrades

Our team combines hands-on experience with strong project management capability to ensure projects are delivered:

- Safely
- On Time
- On Budget
- To the Highest Industry Standards

AT BIDJIGAL CONSTRUCTION GROUP, WE TAKE A PRACTICAL AND COLLABORATIVE APPROACH TO EVERY PROJECT.

We focus on:

- Clear communication with all stakeholders
- Strong site management and coordination
- Consistent compliance with safety and regulatory standards
- Delivering outcomes that align with both client expectations and community values.

Safety, quality, and reliability are at the core of everything we do.

WHAT SETS US APART

We are a trusted construction partner delivering reliable, high-quality outcomes across residential, commercial and government projects. Our team combines hands-on experience with strong project management to ensure every project is delivered safely, efficiently, and to the highest standard.

- Aboriginal owned and operated, with a strong commitment to community and culture
- Strong cultural integrity with genuine community connection
- Proven capability across commercial and government sectors
- Reliable delivery backed by a hands-on, experienced team
- Commitment to safety, compliance, and quality on every project

BUILDING RESPONSIBLY. FOR COUNTRY, COMMUNITY AND THE FUTURE.

Bidjigal Constructions Group is committed to building a sustainable future by integrating Environmental, Social, and Governance (ESG) principles into the core of our construction operations. We go beyond compliance to actively reduce our ecological footprint through sustainable sourcing and waste reduction, while prioritising the safety, diversity, and well-being of our workforce and the communities we serve.

Guided by ethical leadership and transparent governance, we deliver high-quality infrastructure that not only meets client demands but also supports long-term environmental stewardship and social equity.

Environmental (E)

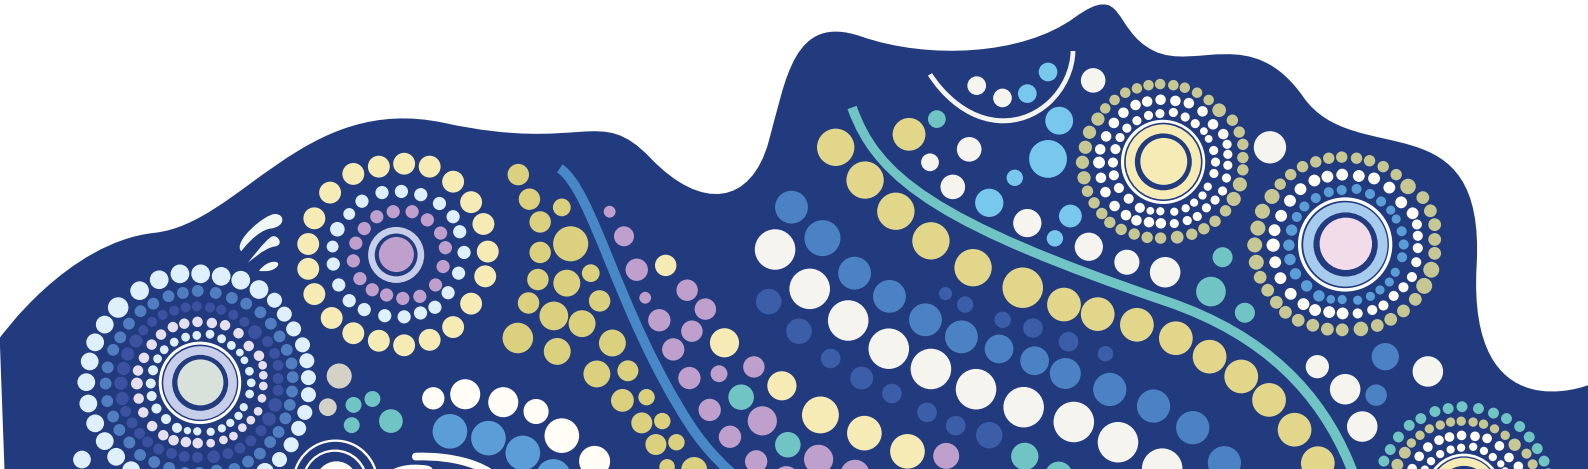
Implementing sustainable sourcing, waste reduction, and energy efficiency, with a focus on continuous improvement and sustainable project delivery.

Social (S)

Fostering a safe and inclusive workplace, with strong commitments to local employment and Indigenous engagement.

Governance (G)

Ensuring ethical conduct, transparent reporting, and robust risk management across all projects.



AS AN INDIGENOUS BUSINESS, WE ARE COMMITTED TO CREATING MEANINGFUL EMPLOYMENT AND TRAINING OPPORTUNITIES FOR ABORIGINAL PEOPLE.

We are committed to creating long-term opportunities that support Indigenous participation, build skills, and strengthen communities. Through employment, training, and collaboration, we aim to deliver meaningful impact beyond construction.

Our work contributes to:

- Stronger local communities
- Increased Indigenous participation in construction
- Long-term economic and social outcomes
